Ms. Parker,

Good afternoon. This morning at the ABC Commission's regular monthly meeting the Commission Members considered the Town of Sunset Beach's request to reduce the number of the members serving the Sunset Beach ABC Board from five members to three members. A motion was made to approve the request and a second was received. The motion carried.

You may reduce the members under the stipulations that Mayor Watts provided in the below email. If you have any questions, let me know.

Ms. Parker,

Good afternoon. Our Commissioners asked that I put your request on next month's agenda for their review. Due to the date of Mayor Watts' request, it could not be put on the August meeting agenda. I will provide you with their decision after the next Commission meeting scheduled for September 7, 2016. Thank you and have a good day.

Subject: Town of Sunset Beach Request for Mr. Hamilton

Dear Mr. Hamilton:

In 2014 the Town of Sunset Beach increased the number of members for the Sunset Beach ABC Board from three to five members. This action was undertaken to allow some new members a chance to gain knowledge and experience of

serving on the ABC Board while working with our experienced members. Since that time, our community has benefitted from those new members having this time to serve on the ABC Board-one has since become Board Chair.

The Town was recently notified that a long-term board member does not plan to reapply for his position which expires in October 2016. In addition, another board member has significant health issues and may not remain a board member until his term expiration date in January 2018.

With these upcoming changes, the Sunset Beach Town Council feels that the local ABC Board can be managed again with a total of three members. Therefore, as approved at our last Council meeting on August 1st, I respectfully request, pursuant to Section 18B-700 of the Alcoholic Beverage Control Laws, to reduce the number of ABC board members from five to three. To reach this level, we will not replace the retiring Board member when his term is up in October, 2016, nor will we replace the next vacancy that occurs, either by illness and resignation, or, at the latest, one of the two positions which expire in November, 2017.

Should this request be approved, please notify our Town Administrator Susan Parker at srparker@atmc.net so that she can coordinate our future plans. She can be reached at 910-579-6297.

Thanks for your consideration.

Sincerely,

Ron Watts
